## Our Mission

To reach the lost, to edify and build up Believers for the work of the ministry, and to equip, train and encourage church leaders for this end time harvest.

We approach this through:

- Conducting evangelistic crusades for salvation and healing.
- Conducting revival conferences for mobilizing local churches for outreach.
- Providing resource materials to edify believers to help build their faith.
- Using media for further outreach: radio, television, and internet broadcasting.

*"Lift up your eyes and look on the fields; for they are white already to harvest." John 4:3*

Dear Brothers and Sisters:

The Word of God declares the harvest fields are ripe, ready and waiting to be harvested. More than ever in history, the spiritual hunger around the globe for Truth - Jesus Christ is tremendous. Individuals, people groups, and nations that never have been opened or interested in the gospel of Christ are now wide open, hungry and willing to hear the good news of Jesus Christ.

## HISTORY

Since early 1986 Meherat Yerga, has conducted many evangelistic crusades and conferences in reaching the lost, bringing the healing and delivering power of God to the sick and the hurting. We also have planted fruitful and effective churches in Northeast Africa, in Canada and in northwest, in the USA.

Meherat has held many Holy Spirit revival meetings in churches across North America, mobilizing local churches for the work of evangelism. By doing so, has edified, built up, and equipped the body of Christ for the work of the ministry, training and encouraging Christian workers and church leaders for this end time harvest. Since 1999 Meherat Yerga Ministries has distributed Bibles and helpful biblical literatures free of charge, both to new believers as well as to those already are in ministry.
